

Fill in the gaps

Love the way you lie by Rihanna & Eminem

(Rihanna)

Just gonna stand there

and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

I can't tell you what it really is

I can only tell you what it feels like

And right now there's a steel knife in my windpipe

I can't breathe but I still fight

While I can fight

As long as the wrong feels right

It's like I'm in flight

High of a love

(1)_____ from the hate

It's like I'm (2)_____ paint

And I love it the more that I suffer

I suffocate

And (3)_____ before I'm about to drown

She resuscitates me

She fucking hates me and I love it

Wait

Where you going

I'm leaving you

Fill in the gaps

No you ain't

Come back

We're running right back

Here we go again

It's so insane

Cause when it's going good

It's going great

I'm Superman with the (4)_____ in his bag

She's (5)_____ Lane

But (6)_____ it's bad it's awful

I feel so ashamed

I snap

Who's (7)_____ dude

I don't (8)_____ know his name

I (9)_____ (10)_____ on her

I'll never stoop so low again

I guess I don't know my own strength.

(Rihanna)

Just gonna stand there

and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there

And (11)_____ me cry

But that's (12)_____ because I love the way you lie

I love the way you lie

I love the way you lie

(Eminem)

You ever (13)_____ (14)_____ so much

You can barely breathe

Fill in the gaps

When you're with them

You meet

And neither one of you even know what hit 'em

Got that warm fuzzy feeling

Yeah them chills

Used to get 'em

Now you're getting fucking sick

Of looking at 'em

You swore you've never hit 'em

Never do nothing to hurt 'em

Now you're in each other's face

Spewing venom

And these words

When you spit 'em

You push

Pull each other's hair

Scratch, claw, bit 'em

Throw 'em down

Pin 'em

So lost in the moments

When you're in 'em

It's the rage that took over

It controls you both

So they say it's best

To go your separate ways

Guess that they don't know you

(15)_____ today

(16)_____ was yesterday

Yesterday is over

It's a different day

Sound like broken records

Fill in the gaps

Playin' over

But you promised her

Next time you'll show restraint

You don't get another chance

(17)_____ is no Nintendo game

But you lied again

Now you get to watch her leave

Out the window

Guess that's why they call it (18)_____ pane

(Rihanna)

Just gonna (19)_____ there

and watch me burn

But that's alright

Because I like the way it hurts

Just (20)_____ stand there

And hear me cry

But that's alright because I love the way you lie

I love the way you lie

I (21)_____ the way you lie

(Eminem)

Now I know we (22)_____ things

Did things

That we didn't mean

And we fall back

Into the same patterns

Same routine

But your temper's just as bad as mine is

You're the (23)_____ as me

But when it comes to love

Fill in the gaps

You're just as blinded

Baby please come back

It wasn't you

Baby it was me

Maybe our relationship

Isn't as crazy as it seems

Maybe that's what happens

When a (24)_____ meets a volcano

All I know is

I love you too much

To walk away though

Come inside

Pick up your bags off the sidewalk

Don't you hear sincerity

In my voice when I talk

(25)_____ you this is my fault

Look me in the eyeball

Next time I'm pissed

I'll aim my fist at the dry wall

Next time

There will be no next time

I apologize

Even though I know it's lies

I'm tired of the games

I just want her back

I know I'm a liar

If she (26)_____ tries to fucking leave again

I'mma (going to) tie her to the bed

And set the house on fire

(Rihanna)

Fill in the gaps

Just gonna stand there

and watch me burn

But that's alright

Because I like the way it hurts

Just gonna stand there

But that's alright because I love the way you lie

I love the way you lie

I (28)_____ the way you lie
