

Fill in the gaps

Sad dream by Sky Ferreira

Poured myself a warm (1)_____

And laid awake

Prayed the lord my soul to take

Thought about you all day

How we have the same face

I fell asleep so confused

Parts of me remind me of you

How could I ever wish away?

(2)_____ ever in dreams I wrap my arms around you

And standing in the water with me

I could tell you what I want to tell you

And I hope it's not just a bad dream

I hope it's not just a sad dream

I (3)_____ up and I hear my (4)_____ ring

I hear you (5)_____

And I let my phone ring

When I got into my car

And drove away

I listen to the stereo play

I live by my own laws

Stick to my guns

Hold my head up to the midnight sun

Hope the guilt (6)_____ dim and fade

A fire baptism engulfs my shame

Only ever in dreams I wrap my arms around you

And standing in the water with me

I could tell you what I want to tell you

And I hope it's not (7)_____ a bad dream

I (8)_____ it's not just a sad dream

Only ever in dreams I wrap my arms around you

And standing in the water with me

I could (9)_____ you (10)_____ I want to tell you

And I hope it's not just a bad dream

I hope it's not just a sad dream
