

## Fill in the gaps

### Hot and cold by The Baseballs

You change your mind  
Like a girl changes clothes  
Yeah you P.M.S  
Like a bitch  
I would know  
And you over think  
Always speak cryptically  
I (1)\_\_\_\_\_ know  
That you're no good for me  
Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight we break up  
We kiss we make up  
You, you don't really wanna stay no  
You, but you don't really (2)\_\_\_\_\_ go  
You're hot then you're cold  
You're yes (3)\_\_\_\_\_ you're no  
You're in then you're out  
You're up then you're down  
We used to be  
Just like twins  
So insync  
The same energy  
Now's a dead battery  
Used to laugh  
About nothing  
Now you're plain boring  
I should know  
That you're not gonna change  
Cause you're hot then you're cold  
You're yes then you're no  
You're in then you're out

You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight we break up  
We kiss we (4)\_\_\_\_\_ up  
You, you don't really wanna stay  
You, but you don't really wanna go  
You're hot then you're cold  
You're yes (5)\_\_\_\_\_ you're no  
You're in then you're out  
You're up then you're down  
So cold, so cold  
(6)\_\_\_\_\_ call the doctor  
Got a case of love bi polar  
Stuck on a (7)\_\_\_\_\_ coaster  
And I can't get off this ride  
You change your mind  
Like a girl changes clothes  
Cause you're hot (8)\_\_\_\_\_ you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down  
You're wrong when it's right  
It's black and it's white  
We fight we break up  
We kiss we make up  
You, you don't really wanna stay,  
You, but you don't really wanna go  
You're hot then you're cold  
You're yes then you're no  
You're in then you're out  
You're up then you're down.  
You don't (9)\_\_\_\_\_ wanna stay, yeah

Answer

1. should
2. wanna
3. then
4. make
5. then
6. Someone
7. roller
8. then
9. really
