

Fill in the gaps

Miss Atomic Bomb by The Killers

You were standing with your girlfriends in the street

Falling (1)_____ on forever

I wonder what you came to be

I was new in town, the boy with the (2)_____ eyes

I never was a quitter

(3)_____ to schoolgirls' lies

When I (4)_____ back on those neon lights

The leather seats, the passage rite

I feel the heat, I see the light

Miss Atomic Bomb

Making out, we've got the radio on

You're gonna miss me when I'm gone

You're gonna miss me when I'm gone

Racing shadows under moonlight

Through the desert on a hot night

And for a second there we'd won

Yeah, we were innocent and young

Cast out of the night, well you've got a foolish heart

So you took your place

But the fall from grace was the hardest part

It feels just like a dagger

Buried deep in your back

You run for cover

But you can't escape the second attack

Your soul was innocent

She kissed him and she painted it black

You should have seen your little face

Burning for love, holding on for your life

All (5)_____ I (6)_____ was a little touch

A little tenderness and truth, I didn't ask for much, no

Talk about being at the wrong place

At the wrong time

Miss Atomic Bomb

Making out we've got the (7)_____ on

You're gonna miss me when I'm gone

You're gonna miss me when I'm gone

Racing (8)_____ under moonlight

We're taking chances on a hot night

And for a second there we'd won

Yeah we were innocent and young

The dust (9)_____ has settled, and my eyes are clear

But sometimes in dreams of impact I still hear

Miss Atomic Bomb, I'm standing here

(10)_____ on my skin

And this love that I've cradled

Is wearing thin

But I'm standing here and you're too late

Your shock wave whisper has sealed your fate

Feels just like a dagger

Buried deep in your back

You run for cover

But you can't escape the second attack

Your soul was innocent

She kissed him and she painted it black

You should have seen your little face burning for love

-Miss Atomic Bomb-

Answer

1. back
2. eager
3. Oblivious
