Before the worst by The Script

It's been a while since the two of us talked
About a week since the day that you walked
Knowing (1)_____ would (2)_____ be the
same
With (3)_____ empty heart and mine (4)_____ of
pain
So explain to me, how we came to this
Take it (5)_____ to the night we kissed
It was Dublin (6)_____ on a Friday night
There were vodkas and coke, I was Guinness all night
We were sitting with our backs against the world
Saying things that we (7)_____ but never heard
Who would (8)_____ thought it would end up like this?
Where everything we talked about is gone?
And the (9)_____ chance we have of
(10)_____ on
Is try to take it back before it all (11)_____ wrong
Before the worst, before we mend
(12)_____ our hearts decide
It's time to love again
Before too late
(13)_____ too long
Let's try to take it back before it all (14)_____ wrong
There was a time
That we'd stay up all night
Best friends yet talking till the daylight
(15)_____ the joys alongside the pain
With not much to loose, but so much to gain
Are you hearing me? Because I don't wanna miss you
You were adrift on memory bliss
In this Grafton Street on a (16)_____ night

I was (17)_____ on one knee and you were mine for life
We were thinking we would never be apart
With your name tattooed across my heart
Who would (18)_____ (19)_____ it would
end up like this?
(20)_____ everything we talked about is gone
And the only chance we have of moving on
Is try to take it back before it all went wrong
Before the worst, before we mend
(21)_____ our hearts decide
It's time to love again
(22)_____ too late
Before too long
Let's try to take it back before it all went wrong
And if the clouds don't clear
Then we'll rise above it, we'll rise above it
Heaven's (23)_____ is so near
(24)_____ walk with me through
Just like we used to, just (25)_____ we used to
Let's take it (26)_____ before it all (27)_____ wrong
Before the worst, before we mend
Before our hearts (28)_____
It's time to (29)_____ again
Before too late
Before too long
Let's try to take it back before it all went wrong
