## If you ever come back by The Script

If you're (1) with your suitcase	(6) you haven't taken
But you can't step on the train	And I wish you could give me the cold shoulder
Everything's the way that you left it	And I wish you can still give me a hard time
I still haven't slept yet	And I wish I could still wish it was over
And if you're covering your face now	But even if wishing is a waste of time
But you just can't hide the pain	Even if I never cross your mind
Still (2) two plates on the counter	I'll leave the door on the latch
But eating without you	If you ever come back, if you ever come back
If the truth is you're a liar	There'll be a light in the hall and the key under the mat
Then just say (3) you're okay	If you ever come back
I'm sleeping on your side of the bed	There'll be a smile on my (7) and the kettle on
Going out of my head now	And it will be just like you were never gone
And if you're up and trying to move on	There'll be a light in the hall and the key under the mat
But something pulls you back again	If you ever come back, if you ever come back now
I'm sitting here trying to persuade you	Oh, if you ever come back, if you ever come back
Like you're in the same room	If it's the fighting you remember
And I wish you could give me the cold shoulder	Or the little things you miss
And I wish you (4) still give me a hard time	I know you're out there somewhere
And I wish I could still wish it was over	So just remember this
And I wish I could still wish it was over But even if wishing is a waste of time	So just remember this If it's the (8) you (9)
