

Awakening by Yellowcard

Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
Because with the morning I can open my eyes
I want this to be my awakening
I give this one to you an anthem full of truth
I tell you now an epic tale
Of what you've put me through
And even though you don't deserve one of your own
A melody, a song about the life that you let go
I can't believe that
I still care enough to write
Bottoms up tonight I drink to you and I
Because with the morning comes the rest of my life
And with this empty glass I will break the past
Because (1)_____ the morning I can open my eyes
I want this to be my awakening
Yes I miss you still
And probably always will
I'm (2)_____ with a busted heart that I will have
until
I find the strength
I know it's somewhere in my bones
To pull the curtain up again and get on with this show
