

## Fill in the gaps

| Can't believe (1)                   | (2)                            | _     | 'Cause you were r    |
|-------------------------------------|--------------------------------|-------|----------------------|
| (3) bags                            |                                |       | Now we know it's     |
| Trying so hard not to cry           |                                |       | Feels (20)           |
| Had the best (4)                    | and now it's the worst time    |       | But I always will re |
| But we have to say goodbye          |                                |       | You were my Sum      |
| Don't (5)                           | that you're (6)                | write | You (21)             |
| Don't promise that you'll call      |                                |       | So (23)              |
| Just promise (7)                    | you won't forget we had it all |       | We can't (25)        |
| 'Cause you were mine for the Summer |                                |       | And I know           |
| Now we (8) it's                     | (9) over                       |       | There's nothing th   |
| Feels like snow in September        |                                |       | You were mine for    |
| But I always will remember          |                                |       | Now we know it's     |
| You were my Summer love             |                                |       | Feels like snow in   |
| You (10) w                          | vill be my (11)                | love  | But I always will re |
| Wish that we (12) be alone now      |                                |       | You were my Sum      |
| If we (13) (14                      | 4) some place to hi            | de    | You always will be   |
| Make the last time just (1          | 5) the (16)                    |       | You always will be   |
| time                                |                                |       | You will always be   |
| Push a button and rewind            |                                |       |                      |
| Don't say the word that's or        | n your lips                    |       |                      |
| Don't (17) at me                    | e (18) way                     |       |                      |
| Just (19) you'll remember           |                                |       |                      |
| When the sky is grey                |                                |       |                      |

| 'Cause you were mine                        | e for the Summe | r                 |  |  |
|---|-----------------|-------------------|--|--|
| Now we know it's near                       | ırly over       |                   |  |  |
| Feels (20)                                  | snow in Septem  | ber               |  |  |
| But I always will reme                      | ember           |                   |  |  |
| You were my Summer love                     |                 |                   |  |  |
| You (21)                                    | (22)            | be my Summer love |  |  |
| So (23)                                     | don't (24)      | this any harder   |  |  |
| We can't (25) this any farther              |                 |                   |  |  |
| And I know                                  |                 |                   |  |  |
| There's nothing that I wanna change, change |                 |                   |  |  |
| You were mine for the                       | e Summer        |                   |  |  |
| Now we know it's (26                        | 6)              | over              |  |  |
| Feels like snow in Se                       | ptember         |                   |  |  |
| But I always will reme                      | ember           |                   |  |  |
| You were my Summe                           | er love         |                   |  |  |
| You always will be my                       | y (27)          | love              |  |  |
| You always will be my Summer love           |                 |                   |  |  |
| You will always be my Summer love           |                 |                   |  |  |
