### Feeling Myself by Will.i.am & Miley Cyrus & French Montana & Wiz Khalifa

(Hey)

(Will-will-will power, power, power, power, power...)

I'll be everywhere everybody know me

Super-super fresh with a dope styling

Honey on my wrist, couple karats on my neck

Givenchy keep the chickens in check

All these car keys drive them chickens to my crib

Dru Hill got somebody sleeping on my bed

She give me IQ

That mean she get ahead

I just give her beats

I don't give her bread

'Cause we be in the club

Bottles on deck and god dammit, god dammit

I'm feeling myself

'Cause I'm (going to) get it all

And I'm a throw it up like god dammit, god dammit

(I'm (1)\_\_\_\_\_ myself)

Look up in the mirror and the mirror look at me

The mirror be like baby you the shit god dammit

Pool in the crib
