I Love My Computer by Bad Religion

I love my computer
You make me feel alright
Every (1)_____ hour
And every lonely night
I love my computer
For all you (2)_____ to me:
Predictable errors and no identity
And it's never (3)_____ quite so easy
I've never (4)_____ quite so happy
All I (5)_____ to do is click on you
And we'll be joined
In the most soul-less way
And we'll never ruin each other's day
'cuz (6)_____ I'm (7)_____ I just click
And you just go away
I love my computer
You're always in the mood
I get so turned on

When I (8)_____ on you
I love my computer
You never ask for more
You can be a princess
Or you can be my whore
And it's never (9)_____ quite so easy
I've never (10)_____ quite so happy
The world outside is so big
But it's safe in my domain
Because to you
I'm just a number
And a clever screen name
All I need to do is click on you
And we'll be together for eternity
And no one is ever gonna take my love
From me because I've got security
Her password and a key
