

**Fill in the gaps**

**Summer by Calvin Harris**

When I met you in the summer

To my heartbeat sound

We (1)\_\_\_\_\_ in love

As the leaves (2)\_\_\_\_\_ brown

And we could be together baby

As (3)\_\_\_\_\_ as (4)\_\_\_\_\_ are blue

You act so (5)\_\_\_\_\_ now

But you lied so soon

When I met you in the summer

When I met you in the summer

To my (6)\_\_\_\_\_ sound

We (7)\_\_\_\_\_ in love

As the leaves turned brown

And we could be together baby

As long as skies are blue

You act so (8)\_\_\_\_\_ now

But you lied so soon

When I met you in the summer, in the summer

When I met you in the summer, in the summer

Fill in the gaps
