## Am I Wrong by Nico & Vinz

## Fill in the gaps

Am I (1)	for thinking out the box from where I	That's (8) how I feel
stay?		That's just how I feel
Am I wrong for saying t	that I (2) another way?	Trying to reach the things that I can't see
I ain't tryna do what everybody else doing		If you tell me I'm wrong, wrong
Just cause everybody doing what they all do		I don't wanna be right, right
If one thing I know, I'll fall but I'll grow		If you tell me I'm wrong, wrong
I'm walking down this road of mine, this road that I call home So am I wrong		I don't wanna be right
So am I wrong		[2x]
For thinking that we (3	3) be something for real?	Am I wrong
Now am I wrong		For thinking that we could be something for real
For trying to reach the things that I can't see?		Now am I wrong
But that's just how I feel,		For trying to reach the things that I can't see?
That's just how I feel		But that's just how I feel,
That's just how I feel		That's just how I feel
Trying to (4)	the things that I can't see	That's just how I feel
Am I tripping for having	g a vision?	Trying to reach the things that I can't see
My prediction: I'mma be	e on the top of the world	So am I (9) (am I wrong)
Walk your walk and do	on't look back, always do (5)	For thinking that we could be something for real
you decide		(oh yeah yeah oh)
Don't let them control y	our life, that's just how I feel	Now am I wrong (am I wrong)
Fight for yours and	don't let go, don't let (6)	For trying to reach the things that I can't see?
compare you, no		(oh yeah yeah yeah)
Don't worry, you're not	alone, that's just how we feel	But that's just how I feel,
Am I wrong (am I wrong	g)	That's just how I feel
For thinking that we co	uld be something for real?	That's (10) how I feel
(oh yeah yeah yeah oh	n)	Trying to reach the things that I can't see
Now am I wrong (am I	wrong)	
For trying to reach the	(7) that I can't see?	
(oh yeah yeah yeah ye	eah)	
But that's just how I fee	el,	

- 1. wrong
- 2. choose
- 3. could
- 4. reach
- 5. what
- 6. them
- 7. things
- 8. just
- 9. wrong
- 10. just
