

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your (1)_____ don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still (2)_____ the taste of my
love?
Will (3)_____ eyes still smile (4)_____ your cheeks?
Darling I will be loving you till we're seventy
And (5)_____ my (6)_____ could still
(7)_____ as hard at twenty three
And I'm thinking (8)_____ how
People fall in love in (9)_____ ways
Maybe just the (10)_____ of a hand
Well me I fall in love with you every single day
And I just want to tell you I am
So honey now
Take me into your loving arms
Kiss me under the (11)_____ of a thousand stars
Place your head on my (12)_____ heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my (13)_____ fades
And the crowds don't remember my name
When my (14)_____ don't play the strings the same
way
I know you will still love me the same
Because honey your soul could (15)_____ grow old

It's evergreen
And baby your smile is forever
In my (16)_____ and memory
I'm thinking (17)_____ how
People fall in (18)_____ in mysterious ways
And (19)_____ it's all part of a plan
I'll just (20)_____ on making the same mistakes
Hoping that you'll understand
That baby now
Take me (21)_____ your loving arms
Kiss me under the (22)_____ of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into your loving arms
Kiss me (23)_____ the light of a thousand stars
Oh darling, place your head on my beating heart
I'm thinking out loud
Baby we found love (24)_____ (25)_____ we
are
Baby we found love right (26)_____ we are
And we found love right where we are

Answer

1. legs
2. remember
3. your
